

## **Page-by-Page Illustration guide Ideas**

### **Page 1**

Tiny glowing dot floating in a vast gentle space, surrounded by stars, looking curious.

### **Page 2**

Data peeking into floating “picture bubbles” showing ants, stars, a child’s face.

### **Page 3**

Data standing on a grassy hill, sunrise sky, looking left and right in wonder.

### **Page 4**

Data beside a basket of apples and children laughing, counting with joy.

### **Page 5**

Rain falling, bubbles floating, Data hopping between drops and bubbles.

### **Page 6**

Day turning into night in a circular pattern, Data in the middle observing.

### **Page 7**

Zebra with stripes, ladybug with spots, Data pointing excitedly.

### **Page 8**

Birds flying overhead, wilting flowers below, Data holding question mark.

### **Page 9**

Small snail and big elephant side by side, Data between them.

**Page 10**

Child holding packets of red, yellow, blue seeds, looking confused, Data beside.

**Page 11**

Memory cloud showing tall yellow plant and fast-growing blue plant.

**Page 12**

Child planting yellow seeds happily, Data smiling proudly.

**Page 13**

Paper airplane on floor, Data and child surprised.

**Page 14**

Paper airplane soaring through sky, Data zooming beside it.

**Page 15**

Lonely child sitting on bench, Data glowing softly near.

**Page 16**

Thin puppy near empty bowl, Data looking concerned.

**Page 17**

Collage scene: farm field, school, hospital, road, playground with Data floating through.

**Page 18**

Single Data small on one side, many glowing Data dots on other side.

**Page 19**

Dots forming bright swirling pattern like a galaxy.

**Page 20**

Close-up of Data smiling warmly.

**Page 21**
